

lab4b\_main.cpp

```
graph TD; A[lab4b_main.cpp] --> B[iostream]; A --> C[Vector.h];
```

The diagram illustrates a dependency structure. At the top is a gray rectangular box labeled 'lab4b\_main.cpp'. Two blue arrows originate from the bottom edge of this box. The left arrow points to a white rectangular box labeled 'iostream' below and to the left. The right arrow points to a white rectangular box labeled 'Vector.h' below and to the right. All boxes have black borders.
